Draft Case Proposed

The cases below are tentative and may be altered or withdrawn. We are working with interested case owners to develop these cases further. Each case would be presented in groups, aiming for about short 10-minute presentation to enable a more in-depth discussion into dilemmas, challenges and means to take the foresight agenda forward. If you would like to put forward a case: let us know. Case presenters will receive more detailed preparation guidance.

Note: numbering of cases does not indicate allocation to Day 1 or Day 2, this is to be determined.
